Your Network

Save more with Steward Community Care.

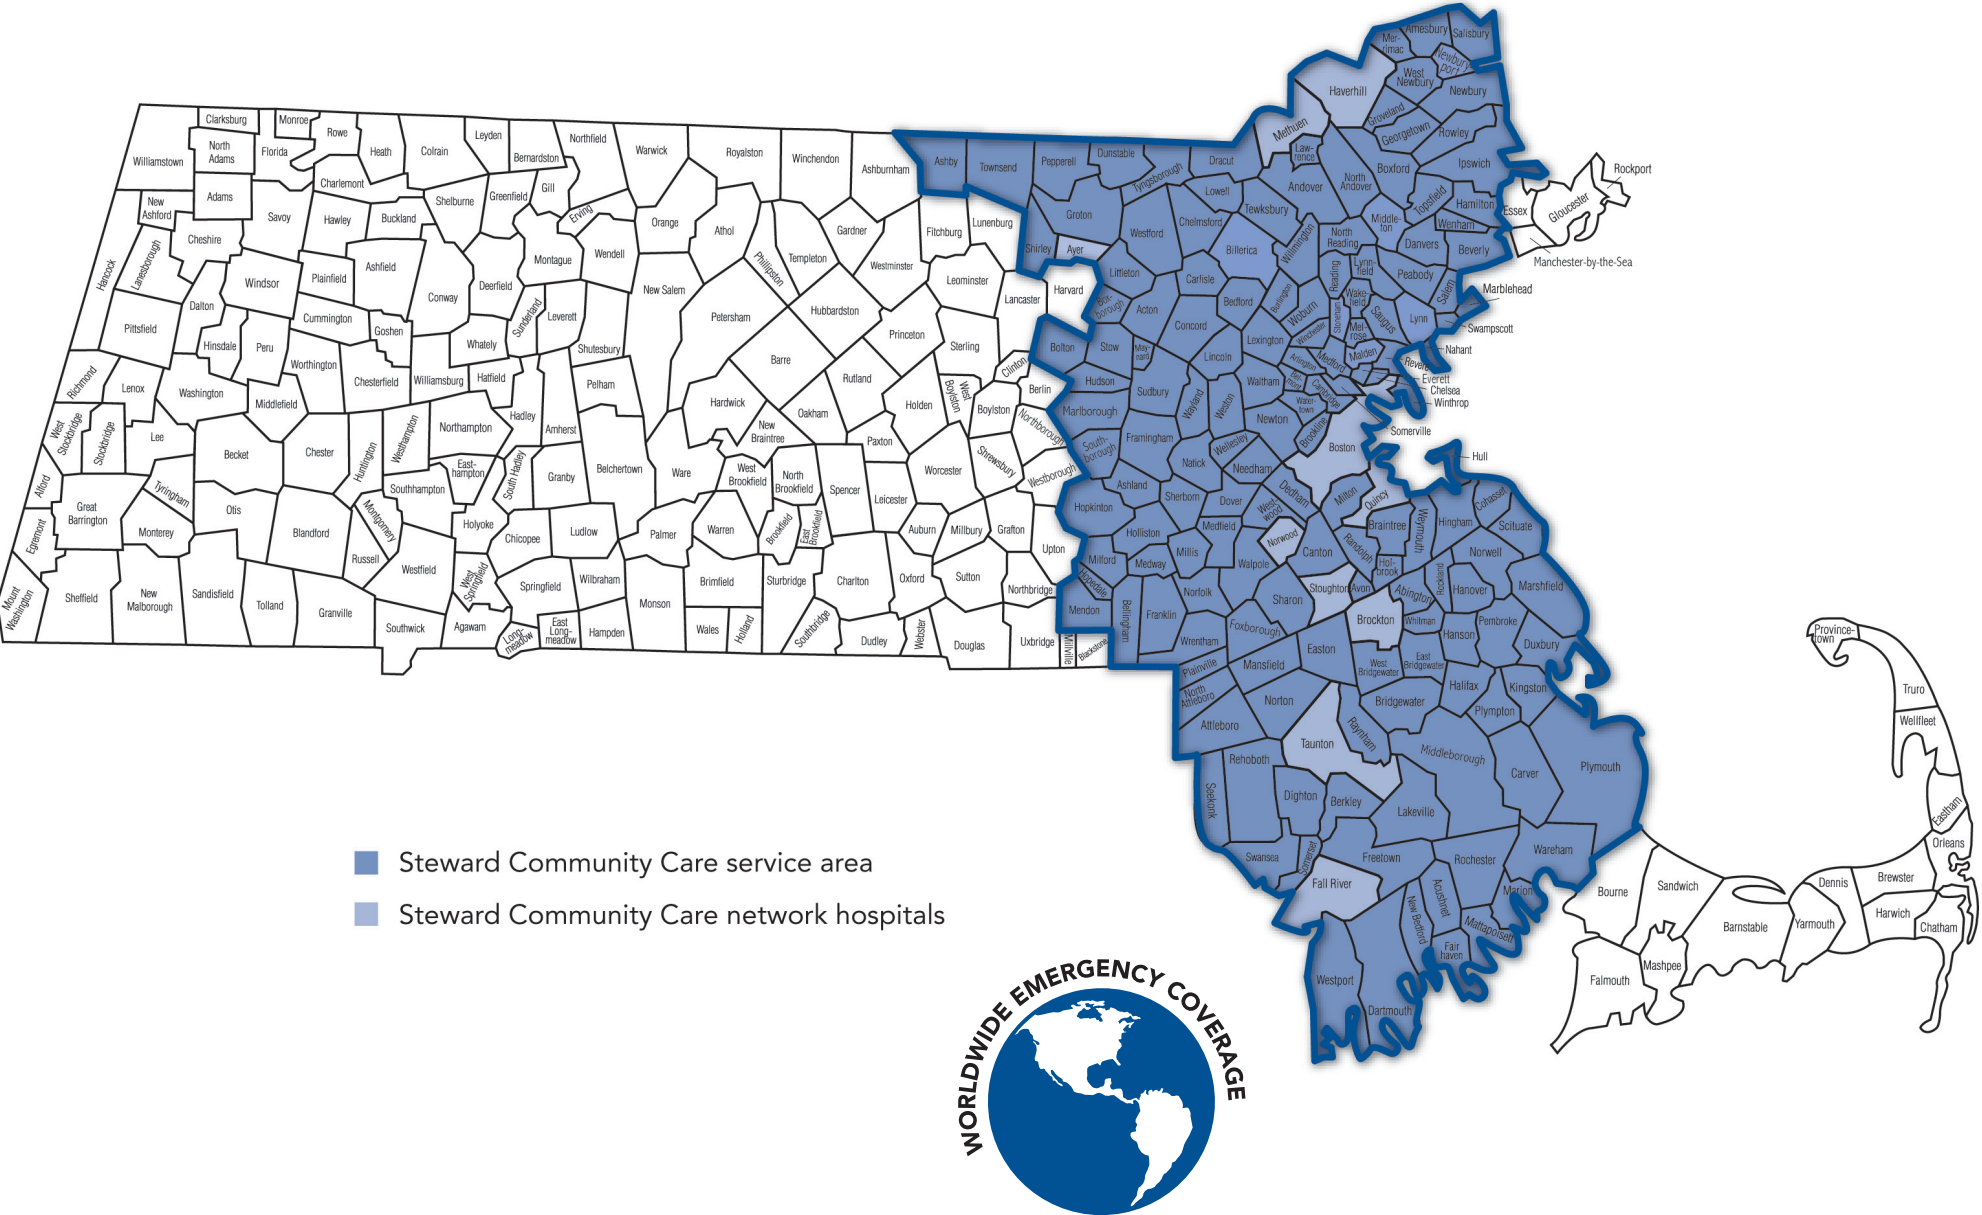

Steward Community Care provides access to a network that is smaller than Select Care. In this plan, members have access to network benefits only from the providers in Steward Community Care. Please consult the Steward Community Care provider directory—a paper copy can be requested by calling our Customer Service Department at 1-800-868-5200—or visit the provider search tool at fallonhealth.org to determine which providers are included in Steward Community Care.

What you get

- **World-class** community health care where you live.
- **Access to all Steward Health Care System community doctors and hospitals.**
- Innovative and coordinated care at a **lower premium than our other plans.**
- Worldwide emergency coverage.

Find your doctor

Just visit fallonhealth.org and follow these simple steps:

- Click on **“Find a doctor”** in the members section, or on the home page.
- Click on **“Search our regional networks”** for Steward Community Care.
- If you are **looking for a specific provider, type his/her last name** (once you start typing, you will be given a list of providers to choose from).
- If you don’t have a particular provider in mind, you can **use the advanced search option to search by ZIP code to find a provider convenient to you.** You can use this advanced search option for specialists as well as for PCPs.

We update the provider listing on fallonhealth.org every day, so you can trust that you are seeing the most up-to-date information. You can also call our Customer Service Department at 1-800-868-5200 to have a representative help you find the doctor you’re looking for.
